# COMMUNICATION CARD

The LORD gives strength to His people.  
The LORD blesses His people with peace.

- Psalm 29:11 NIV

Dear Jesus,

I am afraid and worried right now.  
I know You will never leave me alone,  
but I am still scared.

Help me remember You are with me.  
Help me remember You love me all the time.

Thank You for being strong for me, especially  
since I do not feel strong right now.

In Your name I pray. Amen.
