

Bethesda 2019-2020 Impact Report

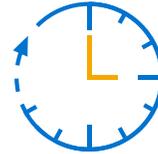

Moving Our Mission Boldly Forward

During Fiscal Year 2019-2020, we continued to provide quality, caring support across all of our existing services, all while developing new and innovative ways to support, empower and create more inclusion for people in the future.

Our COVID-19 Response

The Coronavirus has drastically affected the people we support, their families and Bethesda. In addition to forcing the shutdown of day programs, a move to 24/7 stay-at-home protection for people in Bethesda homes, the costs associated with Personal Protective Equipment (PPE) and safety supplies have been staggering.

Here is just a glimpse of the impact
